

WOOT!

WISE OLE OWL TRIVIA

Rules Of The Room:

1. The QuizMaster's decision is final in ALL matters.
This is regardless of how unfair you may think it is or even if you think you can prove a different answer.
2. A Team can be from 1 to a maximum of 4 Players.
We currently can have up to a maximum of 40 Teams.
3. There may only be a maximum of 4 people seated at your table no matter if they, or you, or the table is playing or not. No Exceptions for any person over 12 years of age. We will consider exceptions for those 12 and under but you must ask first! (not guaranteed to be granted)
4. We run Trivia in Seasons and Sessions. There are 8 Trivia nights in a Session. Usually, one night a week for a session of 8 Weeks. There can be up to 6 Sessions in a Season. A Season consists of a Calendar year + or – a couple of weeks near Christmas/New Years where we may cross the New Year's boundary.
5. The use of ANY Electronic/Tech device by any person in the room is STRICTLY PROHIBITED during the rounds while Questions are being presented and answered. This includes but is not limited to tablets, laptops, PHONES, Ear Buds, Bluetooth headsets, or anything that looks like an electronic device. The only Exceptions are game devices for those under 12 (with QuizMaster Approval First, Not Guaranteed), for prosthetic devices, true hearing aids, and the QuizMasters. We will do everything we can to accommodate disabilities, and tech devices for disabilities normally will be exempted but must be approved by the QuizMasters FIRST. (Cont'd)
Also exempted within reason are the facility staff not participating in Trivia; we all want our Food and Drinks!

6. You MAY leave your phone turned on, but it must remain face down on the tabletop where all can see. If you must take a call, you may, however you MUST leave the room and may not return until you have ended the call or are no longer in possession of the phone and any listening device attached to the phone in any manner.
7. There is NO PARTIAL CREDIT for answers.
8. The QuizMasters must be able to read/recognize your answer, or it may not be accepted/counted. Please PRINT legibly.
9. There are no questions with more than one answer unless explicitly stated with the question.
10. There are no Bonus Questions/Answers.
11. Once submitted, an answer cannot be changed.
12. Answer slips that are thrown, slammed, or otherwise not presented in a courteous manner will not be accepted.
13. Answer Slips MUST be received at least 15 Seconds BEFORE the countdown timer expires for the current question to ensure your answer can be entered in time. We will NOT enter answers for you after the countdown timer expires.
14. Be Polite and Courteous: If you are a registered Team, we must let the timer run until Every Team, including you/yours, provides an answer or the timer expires. If you are unable to determine and provide a suitable answer, then provide a Funny one or come up and let us know so we don't make (Cont'd) all the other teams wait for the timer to expire.
If you are going to leave for the evening or for any extended period before Trivia ends for the night, come up and let us know so we can disable the wait timer for your team. If you return, we can re-enable your team.
